- e. All the rates shall be quoted with all taxes (tax mentioned separately).

6. Standard procedure for opening and evaluation of bids:

6.1 Outline of bid evaluation procedure

1. The bid opening and evaluation process will be sequential in nature. Means that bidder must qualify a particular stage to be eligible for next stage. Immediately after the closing time, the GHMC authorized officer shall open, Technical bids. Finally financial bids of those bidders will be opened who are short listed in technical evaluation and all the communications with regard to tender evaluation status shall be viewed on e-procurement portal only.
2. In case of composite bid - technical and financial bids combined together, first Prequalification, Technical evaluation will be done followed by Financial evaluation of only those bids which have qualified in Pre qualification, Technical evaluation.
3. The standard procedure, described here will stand appropriately modified, in view of special procedures of bid evaluation as mentioned in tender call or elsewhere in this bid document or GHMC may deviate from these in specific circumstances if it feels that such deviation are unavoidable, or will improve speed of processing and consequent project execution.

6.2 Preliminary examination:

1. Preliminary scrutiny will be made to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.
2. Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If the vendor does not accept the correction of the errors, its bid will be rejected and its bid security may be forfeited. If there is a discrepancy between words and figures, the amount in words will prevail.
3. GHMC may waive any minor informality, nonconformity or irregularity in a bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any bidder.
4. Prior to the detailed evaluation, GHMC will determine the substantial responsiveness of each bid to the bidding documents. For purposes of these clauses, a substantially responsive bid is one which conforms to all the terms and conditions of the bidding documents without any deviations.
5. If a bid is not substantially responsive, it will be rejected by the GHMC and may not subsequently be made responsive by the bidder by correction of the nonconformity.

6.3 Evaluation of Technical bid

Technical bid documentation shall be evaluated in two sub-steps.

1. Firstly, the documentation furnished by the vendor will be examined prima facie to see if the offer made, technical skill base and financial capacity and other vendor attributes claimed therein are consistent with the needs of this project.
2. In the second step, GHMC may ask vendor(s) for additional information, visit to vendors site and/or arrange discussions with their professional, technical faculties to verify claims made in technical bid documentation.

6.4 Evaluation of Financial bid

1. Financial bids of those vendors who satisfy technical bid and corresponding to chosen technical bid choices will only be opened. All other financial bids will be ignored. GHMC will assess the nature of financial offers and may pursue any or all of the options mentioned under financial bid.
2. Evaluation of financial bids will exclude and not take into account any offer not asked for or not relevant to the present requirements of user and who ever quotes L1 price (inclusive taxes) will be treated as successful bidder.

7. Contacting GHMC:

1. Bidder shall not approach GHMC officers outside of office hours and / or outside GHMC office premises, from the time of the tender call notice to the time the contract is awarded.
2. Any effort by a bidder to influence GHMC officers in the decisions on bid evaluation, bid comparison or contract award may result in rejection of the bidder's offer and bidder may also marked as ineligible for future bids. If the bidder wishes to bring additional information to the notice of the GHMC, it should do so in writing.

8. Award criteria:

Final choice of firm to execute this project shall be made on the basis of conformity to technical requirements, appropriateness of the product/services offered, appropriateness of financial offer from the point of view of cost-effectiveness, total cost of ownership over entire contract period for the product/services and past track record of bidder.

8.1. GHMC right to vary quantities at time of award

GHMC reserves the right at the time of award to increase or decrease the quantity, as indicated in tender call, from the quantity of goods and services originally specified in the specification without any change in unit price or other terms and conditions.

1. GHMC reserves the right to accept or reject any bid, and to annual the bidding process and reject all bids at any time prior to award of contract, without thereby

incurring any liability to the affected bidder(s) or any obligation to inform the affected bidder(s) of the grounds for such decision.

2. GHMC reserves the right to decide which ever plan is feasible as quoted in Annexure IV. Whatever plan is finalized, the bidder who stands as L1 will be selected.
3. Prior to expiration of the period of bid validity, GHMC will notify the successful bidder in writing, that its bid has been accepted.
4. Upon the successful bidder's acceptance to, GHMC will promptly notify each unsuccessful bidder and will discharge its bid security on e-procurement portal only.
5. "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the process of contract execution and
6. "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to detriment of the purchaser, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Purchaser of the benefits of free and open competition:
7. "Unethical practice" means any activity on the part of bidder which try to circumvent tender process in any way. Unsolicited offering of discounts, reduction in financial bid amount, upward revision of quality of goods etc after opening of financial bids will be treated as unethical practice.
8. GHMC will reject a proposal for award and also may debar the bidder for future tenders in GHMC, if it determines that the bidder has engaged in corrupt, fraudulent or unethical practices in competing for, or in executing a contract.

9. Quality Standards:

1. This specification covers design manufacture, testing and delivery of the materials described as in the tender document.
2. The materials offered should have been successfully tested and the design should be in satisfactory operation for the duration of the contract.
